From secretary desk:

It is a matter of delight for all of us to present the description of activities undertaken by **"Chaplin Club"** for the Covid-19 pandemic financial year 2020-2021 in the line of our vision and mission of creation of a progressive and sustainable society free from exploitation based on equality, harmony, peace, mutual trust, thus enhancing the quality of life of the people without disturbing the ecological balance.

Chaplin Club continues to implement series of welfare activities in five different districts of West Bengal: Paschim & Purba Medinipur, Jhargram, Purulia and Bankura. Presently Chaplin Club is involved in Women Empowerment, Child Education, Agriculture Development, Environment Protection, Community Health, Livelihood Development and promotion of SHGs among the rural women group. We were also involved relief and rehabilitation work to Covid-19 pandemic victims.

To implement a series of activities, we have received financial and technical support from different private donor agencies, Government departments, Individual sponsors and community based well-wishers. We will never forget their support and contribution. We are greatly indebted to them and expect to receive constant support and guidance in the coming days too.

On behalf of Chaplin Club, I am conveying our sincere thanks and gratitude to our beneficiaries, donor agencies, government officers, project staff, stakeholders, volunteers and entire community people for extending their support, cooperation and participation to achieve Organization's goal in this year. We also thank the board members & general members for their continuous support & guidance towards Organizational growth.

Rabindra Nath Pandit
Secretary, Chaplin Club

Background of the Organization:

Journey of Chaplin Club started in the year 1987 as a local youth club at Naraharipur village of the then Medinipur district of West Bengal involved in promotion of cultural and sports programmes. The young, enthusiastic members of the club, having a philanthropic mind, endeavored towards development of the area and set to install drinking water and sanitation facilities in the villagers with support from Ramakrishna Mission, Lok Shiksha Parishad along with government departments. The club also developed close relationship with the local Church and addresses some of the local social issues. The area suffering from frequent inundation, the Club members also decided to take initiatives to combat the same with the help of community participation irrespective of class, caste and religion. It was then in 1993 that the Club got registered under West Bengal Societies Registration Act and continued further in their efforts for development of the area and its people.

In the course of its journey ahead, Chaplin Club established network with IGSSS, Japan Consulate, School of Fundamental Research, FVTRS, Smile Foundation, DRSC–Kolkata, CASA Forum and other States & district level agencies & Government Departments, Contact with IIT – Kharagpur, a premiere engineering institute in India, resulted in programmes on agro-based rural technology, soil testing and seed preservation techniques. NABARD too supported in formation of Self-Help Groups and skill training of the members of Jute Mat making.

The neighboring districts, Jhargram, Purulia and Bankura are also backward in nature, inhabited mostly by tribal who belong to ultra poor families and subject to problems of recurrent drought and lack of employment opportunities due to lack of rights to natural resources and industrialization leading to migration, Chaplin Club was also taken step to address their basic needs through organizing community development works.

Organization Vision: Envisage a self-sustained society free from exploitation based on equality, harmony, peace, mutual trust, thus enhancing the quality of life of the people without disturbing the ecological balance.

Organization Mission : Partnering with Govt Departments, donor agencies, Corporate, like minded organizations and community forums t**o** ensure overall development among the marginalized and underprivileged section of the society on the issues: Child protection, Women Empowerment, Youth Organization, livelihood development, sustainable Agriculture development, Community Health and Environmental Prevention.

Core value of the Organization:

- Optimum utilization of local community resources.
- Work with the people not for the people.
- Encourage beneficiaries' participations from planning to implementation process.

Award winner

- Excellent performance in Best Cluster Category at State Level Golden Jubilee Competition by W.B Khadi & Village Industries Board, 2015.
- District Award by W.B Khadi & Village Industries Board, 2012.
- District Youth Award by Nehru Yuva Kendra,

Governance structure of Chaplin Club: The organization is administrating by an active Governing body, comprising of professional social workers, doctors, school teachers, Govt service holders and representation from the community. The registered & correspondence office is based at a remote village under Debra Block, Paschim Medinipur district with all necessary modern amenities like- Computer, telephone, internet, training hall and necessary furniture. Activities for the year: 2020-2021

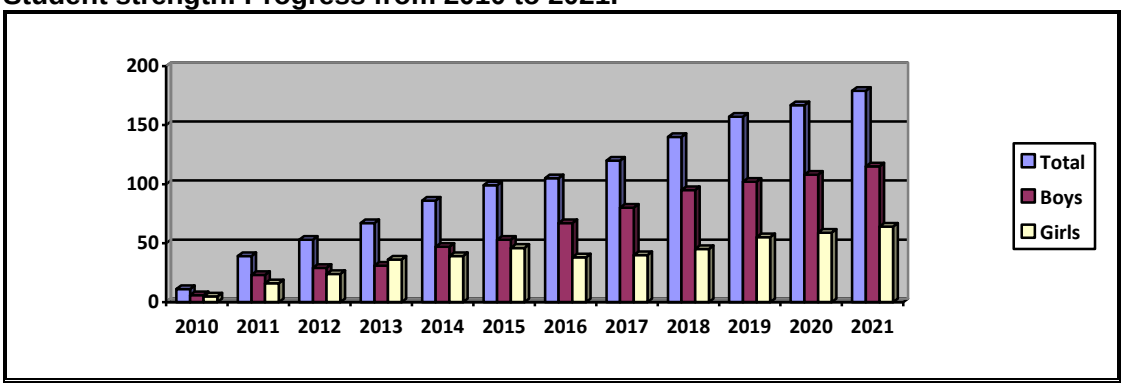
A. Child & Youth:

- **Safe Village Programme:** Due to covid-19 pandemic lock down phase, unsafe migration, early girl child marriage and child trafficking has become a major concern, particularly among the poor and vulnerable families. Chaplin Club is involved to make community aware to prevent child trafficking and child exploitation. Initiative has been taken to form Safe villages through using an innovative behavior change module under the title of: Operation Red Alert. At present we are covering vulnerable villages in Bankura and Purba & Paschim Medinipur Districts of West Bengal. During lock down phase, we have conducted series of SVP [Save Village Programme], covering different schools and surrounding villages in Purba & Paschim Medinipur districts. This initiative is financially and technically supported by My Choices Foundation, UK. We also handover dry ration food to some of the mpst needy family during Covid-19 lock down period.

- **Infant Jesus KG School**: Since 2010, Chaplin Club is running the **Infant Jesus KG School** with the poor and marginalized students from Nursery to standard- V. During this covid-19 pandemic lock down phase we had conducted digital education sessions followed by constant home visit to follow up ongoing education progress. Present student strength is 179.This school is being very popular in the locality. At present 11 trained and qualified teachers are engaged and providing quality educations to these marginalized students. Side by side students are also learning; virtualize Yoga, Bratachari and life skill education sessions. During this pandemic period, we did also conducted Teacher-Guardian meetings, maintaining all safety protocol. Our students are also exposed Computer and Power Point sessions to create interest and all round development. Earlier **MSTC** Limited had donated for school building. **Smile Foundation & Dabur India** is providing partly recurring exp & onetime food grant support to this school. Two other reputed corporate, **Bengal NRI Limited** and **Bentley** has also extend their CSR support to strengthen this education initiative. Bengal NRI this year support Safe Drinking Water services for the poor students coming to Infant Jesus KG School.

Student strength: Progress from 2010 to 2021.



- **Shelter home for orphan children**: During covid-19 pandemic period, we Chaplin Club also continuing the care and shelter home with 10 orphan children at Naraharipur village under Debra Block of Paschim Medinipur District. This initiative is running with active cooperation from local community and donation given by well-wishers. Generally we are providing basic education and health facilities to these orphan and these children, who need proper care and protection. Proper care and safety are taken for these vulnerable and victim children.

- **School for the Brick kiln Migrant Children:** Like the previous year, this year too, Chaplin Club is running both the two education centers inside two brick kilns at Kharagpur in collaboration with local brick kiln owners Association. Apart from basic education, time to time organize mothers meeting to motivate them to send their children to local school, ICDS centre and stop their child to works and keep them clean. Lobby & advocacy is an integral part of this initiative to ensure basic rights & services for them and raise their stronger voices to avail Government's existing facilities. Both the schools are running, maintaining all covid safety protocols. Workers and mothers are also educating the importance of maintaining covid-19 safety protocols to make all of us safe.

- **Campaign on Move:** Like the previous two years, this year too, during covid pandemic period, Chaplin Club, had taken an initiative to raise massive awareness on child protection issues inside brick kilns follows by sensitization and consultation meeting with local stakeholders including Brick kiln Authorities and local Panchayat. Local community and migrant brick kiln workers were sensitize on covid health safety protocols, basic child protection issues, including Causes and consequences of unsafe migration. 200 pcs cotton made mast were distributed among them to keep themselves safe from the Covid-19 virus. Socio- Legal Aid Research & Training Centre (SLARTC) had expanded their support for this initiative.

B. Community Health:

- **Disability care center for leprosy patients**: In partnership with Directorate of Health Services,Govt of West Bengal and District Leprosy Cell, Paschim Burdwan,Chaplin Club is running massive awareness and health linkages with the leprosy patients at five leprosy colonies under Asansole Corporation, Paschim Burdwan district of West Bengal. Colonies are: Rahamat Nagar Leprosy Colony,Kakar danga Leprosy Colony,Barakar Leprosy Colony, Netaji Kustho Colony and Mahatma Gandhi Kustho Colony. Following activates we have achieved within this project period:
  - Conduct baseline mapping study and identify total 93 leprosy patients at five existing colonies.
  - Establish healthy rapport with all patient and colony people.
  - Awareness raising among the patients as well as surrounding community people.
  - Classification/gradation of patients.
  - Stakeholder analysis and rapport establish.
  - Establish strong health referral linkages.
  - Start providing treatment support to the patients.
  - Supply of essential safety kits and first aid/hygienic kits and other tools /equipment.

- **RNTCP Project:** Since last couple of years**,** Chaplin Club is involved in National TB control programme under the RNTCP Project at Mohanpur Block of Jhargram District. As a part of a programme one Laboratory Technician is being appointed by the society and the person is actively working on TB eradication programme in partnership with Directorate of Health Services, Office of the Additional Director of Health Services [TB], Govt of West Bengal. We have collected good number of samples followed by testing. Some of them have been identified with TB germ and linkage for further treatment.

- **Free Health Camp:** Lie the previous year; this year too Chaplin Club organized free health camps followed by awareness on Covid-19 virus at two remote villagers in Paschim Medinipur District. A number of total 138 village people and children's were properly diagnosed by qualified doctors and provided free medicines. Marginalized and uncovered children and general people access quality health services within their door steps. .
  Massive awareness was raised at communally level on Covid-19 and safety protocols.

- **Awareness on Covid-19, Adolescent health and HIV/AIDS prevention:** December, 1st, on the eve of World AIDS Day, this year too, Chaplin Club had organized one awareness programme on Covid-19, Adolescent health and HID/AIDS prevention at Debra bazar. Through this programme villagers were educated on different aspects of Covid-19 safety measure, Adolescent health and basics on HIV/AIDS: Route of transmission and prevention modes. People were motivated visiting local Govt run ICTC center and do their blood test to know their HIV status and use mask, keep social distancing to prevent from Covid-19 virus.

C. Livelihood Development:

- **Brown rice production, using technology built Dekhi:** Brown rice as an excellent source of manganese, and a good source of selenium, phosphorus, copper, magnesium, and niacin (vitamin B3). Earlier, Chaplin Club took initiative to train women SHG members on production of Brown Rice – a type of unpolished coarse rice by using technology build old traditional "Dekhi"- a kind of wooden press. At present a number of total 56 numbers of trained women SHG members, living under different villages under Debra Block of Paschim Medinipur District are involved in production process. Presently they are produce Brown rice using technology built "Dekhi". Packaging the "Brown Rice" in different quantity [Initially for 500 gram and 1 kg] with a brand name of: Silpashree. For sustainable marketing, Chaplin Club established linkages with Govt SHG Department, big rice wholesalers, Government initiated departmental stores [like: "Roudra-Bristi",Sufal Bangla] etc. Increasing demand of this product encourage more number of women to involve on this trade. Local SHG members are also getting the opportunity to eran some money through this initiative.

- **Training cum production Centre on door jute mat:** As a continue effort, Chaplin Club initiated Training cum production center on Jute Mat making is running with 120 trained poor women beneficiaries resides under Debra Block of Paschim Medinipur District. These women groups are collecting raw materials from the club and making different sizes jute made door mats at their home using wooden made Baby loom machine. Later they sell their ready products to wholesalers and rest to the Society. Responsibility of Chaplin Club is to supply raw materials and purchase ready products from the women group and marketing those products to big Markets and Mahajans in Kolkata. On an average each women is earning Rs 4000.00 per month from this part time business and explore their alternative earning sources.

- **Livelihood skill Training Programme for rural SHG women:** Like the previous year, this year too In partnership with District SHG Departments, Paschim Medinipur Chaplin Club has successfully completed series of short term skill development project with a group of SHG women in different trades: Readymade Garment Making, Soft Toys, jute etc. Initiative was taken to linkage the trainees for entrepreneurship activities and become productive members in their family

- **MEDP on Diversified Jute Products for 120 matured SHG members in Paschim Medinipur District:** In partnership with NABARD, Chaplin Club has successfully completed four nos upgrade skill development training on new design and innovativeness on Jute made products with total 120 artisans. Entire training session was completed following covid-19 safety protocol. Through this project, initiatives were taken to strengthen the SHGs to develop habit of savings among them for building economically strong society through Micro Credit practices and to expend different channels of EDP and bank linkages. After capacitating the women are also be involved in marketing process and simultaneously more women among the SHG members will be engaged in the production process. Overall incomes of the beneficiaries are increasing to a considerable level (From Rs 2500.00- 3000.00 to Rs. 5000.00 to Rs 6000.00 per month) and the amount will gradually increase. Women beneficiaries are capacitated through SHG activities so as to aware them on different social aspects, EDP etc. On the other side, explore marketing scope with: Local Markets, local mela /hat, Tourist places and dealer network based at Burro Bazar, Kolkata.

- **Utkarsha Bangla**: Chaplin Club has been selected as a training institution for conduction skill training to the unemployed youth under the banner of Utkarsha Bangla scheme. We are taken initiative to conduct skill training on readymade garments trade with a number of 40 unemployed youths.

- **Work shed for the women self help groups on jute mat making**: During Covid-19 pandemic and lock down phase ,local Self Help Group [SHGs] members are also using existing earlier CASA supported work shed through participating training programme on advance Jute mat making and leadership development activities. Participants were maintaining all safety protocol strictly.

- **Micro Credit Project: SABALAMBAN**: As an ongoing process, Chaplin Club is continuing Micro-Finance Programme for benefitting local poor rural community people towards engage them in income generation activities. Through this ongoing Micro Credit initiative, a good number of rural villagers are being involved in petty business and entrepreneurship development activities to earn additional money to maintain their family expenses. Local villagers are getting easy available loan in comparatively low interest rate within their door steps. Field level community organizers are generally meets with those beneficiaries and do encourage to recover their loan in daily/weekly basis with added the interest. Even during covid-19 lockdown phase, average loan repayment rate is almost 90%.Through this initiative, needy and poor villagers are getting loan facility easily, without much paper works and recovery too within their door steps with comparatively low interest rate.

D. Agriculture Development

- **Strengthening farmers club:** Existing all fifteen farmer clubs in two different districts: [7 in Paschim Medinipur & 8 in Purulia District] with 145 farmer members are still active in their respective villages. All these groups are generally meet once in two months & discuss among themselves on agriculture related issues like: Weather forecasting, Opportunities of organic farming, SRI Methodology of cultivation, High yielding variety seeds, product market value, Kishan Mandi etc. These farmers' forums are closely working with Block level Agriculture Departments. During covid 19 pandemic these groups took active role to educate their own community on safety protocol and importance of maintaining social distancing.

- **Virtual Workshop on modern farm management:** Chaplin club has organized one virtual workshop with 35 progressive farmers on Eco-Friendly Non pesticide cultivation method. Through this virtual initiative, attempts were made to promote eco-friendly cultivation for protecting organic environment and ensuring sustainable livelihood by utilization of local resources. With this initiative, attempts were also made to capacitate the women through group effort and upgrading their skills for improving their status in the society for making bargain with their counterparts judiciously without conserving any superstitious attitude. As a new technology of message delivery, local farmers took this session very seriously and it was very participatory.

E. Environment Protection:

- **STOP Plastic Awareness Programme:** With in covid pandemic phase, Chaplin Club has organized two community level awareness programme, with active participation from local youth on **"Nirmal Bangla Avijan"** towards total sanitation coverage and STOP open defecation. Community people were sensitizing on: Covid preventive safety protocol, Consequences of OD and Consequences of single use Plastic packets. Both the events were organized, maintaining Government declares Covid-19 health safety protocol.

- **Solid Waste Management:** As a part of SWM, Chaplin Club in partnership with local Panchayat/District Sanitation Cell took initiative towards waste segregation at source and makes community aware how to destroy covid preventive safety kits. Establish and maintain string network linkages with District sanitation cell on this issue.
- **Awareness Campaign on Environment Pollution:** On the eve of Environment Day celebration, this year too, Chaplin Club organizes events on plantation of saplings. Villagers were motivated to take active role to maintain those planted saplings. A number of total 1200 number saplings were distributed and motivate them to protect all saplings to grow up. This is an initiative to ensure active community ownership.

F. General Activity

- **Awareness on MGNREGS and other entitlements:** Due to Covid-19 lockdown and pandemic phase good number of migrant workers has come back to their home land, losing their job. Here they are totally jobless and can not getting any employment opportunity. Chaplin Club organized one awareness programme to educate these jobless people and general villagers on MGNREGS, Prathan Mantri Yabas Yojona, Kanyashree,Sabuj Sathi, Samabathi, Food for All and other related social security schemes and its proper execution process. Villagers were eructated on Job card, application procedure, responsible officials and payment system. Initiative was made to establish linkages with Debra Panchayat Samiti and Debra Development Block both for effective education all social security schemes in these villages on emergency basis. So that job less villages will get food security support on urgent basis.

- **Annual Cultural & Sports Programme:** Like the previous year, this year too, the organization had organized Annual cultural & Sports Programme, comparative in smaller scale due to covid pandemic. Total 105 children were actively participating in two different days. Children's were performed, sit & draw competition, Quiz, and different sport events. At the end of the day winners of different events were awarded with token prizes.

- **<u>Relief and rehabilitation support: Covid-19 lockdown pandemic phase:</u>** In partnership with Kolkata Gives Foundation, SLARTC & Terre des Homes and Goonj, Chaplin Club take part in this initiative to support total 703 [603 +100] [In three phases] most needy HHs at Debra Block, Paschim Medinipur District, West Bengal, which area is most interior & unnerved, resource poor , location having history of high migration, location having most vulnerable households and non-CSR areas. Through this initiative, raise community awareness on this virus and increase usages/practices of self-precaution measures.At least 703 most needy HHs ensure and availability essential food commodities initially for 15 to 20 days period.Side by side eestablish convergence in between different line department to ensure basic service & food security for the human being in this pandemic situation.

<u>Case Study: Me and my family is very happy to receive ration kits in this pandemic period-----</u>

Since last ten years, I was engage in street vendor vegetable and earning money to maintain my regular expenses. As the Covid-19 pandemic starts my vegetable middleman shut down entire business and asked me as well as other two women to stop the business for time bound and gave each of us only Rs 3000.00 as advance and told that the rest money he will give us after the situation became normal. I am the only earning member in my family as my husband is very sick unable to move out----- Mana Singh ,wife of Jakar Singh , from Sriballavpur village, Debra Block, Paschim Medinipur,W.B.

After one months of lock down Mana devi really fallen in trouble. She has one daughter who is recently married and stays at Ghatal. She enrolled her name with local Panchayat for getting free ration support, but it was not materialized. Gradually her conditions become very pathetic, not to find out any alternative job or even manage food grants in this lockdown period. Like many other poor family, this family also facing acute food insecurity.

After received dry ration kits from us, Mana devi fill with tears of love. She bow wholeheartedly thanks to our field staff as well as Kolkata Gives Foundation for taking such noble initiative in this most critical part of human life.
